Description			
<p>Despite the popularity of video gaming consoles, gaming laptops and gaming personal computers, mobile gaming apps have a huge market. According to statistics provided by various magazines and app development firms, the combined consumer spending in apps on both Apple's App Store and Google's Play Store exceeded almost C\$ 105 billion almost 1.5 years ago. According to experts from a well-known firm of mobile app development Toronto revealed that the growth in such was 17% in comparison to the previous year.</p>
