Description

Fighting games are popular especially in the mobile gaming sphere. They are epic, quick and really suitable for mobile phones. For these reasons, there have been plenty of mobile fighting games in existence. If you're a fan of this genre, then you'll really love this one!

Shadow Fight 2 is a product of NEKKI that has over a hundred million installs in Google Play Store! This is a sequel to the successful first game that has captivated the world in a storm! What made this one so unique is the fact that all the characters are just shadows. Yet, the game involves realistic and complex physics and graphics that allows you to perform incredible moves. Aside from that, there are many weapons to unlock!
