Description			
<p>Brawlhalla Online is a 2D platform fighting [[https://free-games.on/ free games online]] with some similarities to Super Smash Bros. It features a variety of playable characters, each with their own unique weapons and abilities. The gameplay is fast paced and full of the same kind of crazy combos you might see in games like Marvel vs Capcom or Tekken. The central mode in [[https://brawlhalla.online/ brawlhalla online]] is online multiplayer where players can queue up to play ranked matches, unranked matches, or custom games with friends. Much like many other fighting games, Brawlhalla relies on an input system that rewards aggressive and precise play while minimizing risk of button-mashing mistakes. You also have the option to make your own computer-controlled opponents to spar against in offline practice mode.</p>
